#### ACCOUNTING AND ADVISORY SERVICES

#### Independent Auditor's Report

To the Board of Directors Gifford Pinchot Task Force Vancouver, Washington

We have audited the accompanying financial statements of Gifford Pinchot Task Force, which comprise the statement of financial position as of December 31, 2015, and the related statements of activities and changes in net assets, cash flows and functional expenses for the year then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### NOTE A – ORGANIZATION

Gifford Pinchot Task Force ("the Organization") is a nonprofit corporation organized to support the biological diversity and communities of the Northwest through conservation and restoration of forests, rivers, fish and wildlife. Support comes from grants and contributions.

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of significant accounting policies applied in the preparation of the accompanying financial statements follows.

#### **Basis of Presentation**

The financial statements of the Organization have been prepared on the accrual basis of accounting and in accordance with Accounting Standards Codification (ASC) of the Financial Accounting Standards Board 958. ASC 958 is the standard for external financial reporting for not-for-profit organizations.

Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Organization and changes therein are classified and reported as follows:

Unrestricted Net Assets are net assets not subject to donor-imposed stipulations.

*Temporarily Restricted Net Assets* are net assets subject to donor-imposed stipulations that may or will be met either by actions of the Organization and/or the passage of time.

*Permanently Restricted Net Assets* are net assets subject to donor-imposed stipulations that will not be met by actions of the Organization or the passage of time.

Revenue is reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law. Temporary restrictions expire when the donor-stipulated purpose has been fulfilled and/or the donor-stipulated time period has elapsed. Expirations of temporary restrictions result in the reclassification of temporarily restricted net assets to unrestricted net assets and are reported in the statement of activities as net assets released from restriction.

#### Cash and Cash Equivalents

Cash and cash equivalents include accounts with financial institutions covered by the Federal Deposit Insurance Corporation (FDIC) of \$250,000. For purposes of the statement of cash flows, the Organization considers all short-term investments purchased with an original maturity of three months or less to be cash equivalents.

#### NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Receivables

Receivables consist of amounts due from grants and contributions. The Organization uses the allowance method to account for uncollectible accounts. Management has determined that the risk of loss for uncollectible balances is not significant and no allowance was deemed necessary at December 31, 2015.

#### Contributions

Contributions are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence or nature of any donor restrictions. Donor restricted contributions are recorded as unrestricted if the restrictions are satisfied in the same reporting period in which the contributions are made. Contributions are recorded as increases in temporarily restricted net assets when the restrictions will be met in a future reporting period.

Contributions of property and equipment without donor stipulations concerning the use of such longlived assets are reported as unrestricted revenues. Contributions of services that create or enhance nonfinancial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair value in the period received.

During the year ended December 31, 2015 the Organization received donations of goods valued at \$2,293.

#### Furnishings and Equipment

Furnishings and equipment are recorded at purchase cost. Acquisitions, renovations and repairs which increase the value of assets and have an estimated useful life in excess of one year are capitalized. All expenditures for repairs and maintenance which do not appreciably extend the useful life or increase the value of the assets are expensed in the period in which the cost is incurred. Contributed property is recorded at its fair market value on the date of contribution.

The Organization depreciates furnishings and equipment over its estimated useful life using the double declining balance method for financial reporting purposes, which is generally between 5 and 7 years.

#### Advertising Costs

Advertising is expensed as incurred.

#### Income Taxes

The Organization received a tax determination letter indicating that it qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under section 509(a)(1). Accordingly, no provision for income taxes has been recorded in the accompanying financial statements.

#### NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Expense Allocation

The costs of providing various programs and other activities have been summarized on a functional expense basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

#### Fair Value of Financial Instruments

Due to the short-term nature of cash equivalents, prepaid expenses and other assets, accounts payable and accrued liabilities, their fair value approximates carrying value.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### NOTE C - CASH AND CASH EQUIVALENTS

Cash and cash equivalents consist of the following at December 31, 2015:

Checking accounts	\$ 273,385
	\$ 273,385

At December 31, 2015 the balance in the bank accounts that exceeded FDIC insurance was \$28,163.

#### NOTE D - FURNISHINGS AND EQUIPMENT

Major classes of furnishings and equipment consist of the following at December 31, 2015:

Furniture and equipment	\$ 41,581
Less accumulated depreciation	(41,581)
	\$ 

Depreciation expense was zero dollars for the year ended December 31, 2015.

#### NOTE E – LEASES

The Organization leases office space and extended their lease on July 15, 2015 for 60 months, terminating on June 30, 2020. Rent expense for the year ended December 31, 2015 was \$18,030. Future obligations under the terms of the lease for the year ended December 31, 2015 are:

2016	\$ 19,602
2017	20,190
2018	20,795
2019	21,419
2020	10,868
	\$ 92,874

#### NOTE F – SUBSEQUENT EVENTS

The Organization has evaluated subsequent events through February 16, 2016, which is the date the financial statements were available to be issued, for events requiring recording or disclosure in the financial statements for the year ended December 31, 2015.
