recognition from stage)

Who we are:

The Cascade Forest Conservancy is dedicated to protecting and preserving the forests, rivers, wildlife and communities in the heart of the Cascades. Our work includes:

- Leading volunteer trips for both kids and adults to teach forest ecology and engage our community in preserving public lands.
- Helping our forests adapt to climate change through restoration work
- Promoting sustainable use of natural resources
- Advocating against harmful projects like the Mount St. Helens mine

Why attend?

Our banquet and auction brings together over 140 friends and supporters, and is our most important event of the year. All funds go toward important projects like those described above. We have great deals in our live and silent auctions, beer and wine from local vendors, and dinner catered by Elephants Deli. Take a look at the back page for sponsorship levels and benefits. See you this fall!
